Dear Chris,

Thank you for the excellent service and support we have received from you and your company. Chico High School started with Ray Morgan Company seven years ago. We signed a contract with your company for several important reasons. Our first reason was to save money on our copy, fax and printing costs. We also were interested in using the latest technology to increase productivity. Finally, and most importantly, we entered into an agreement with Ray Morgan Company because of the support programs you proposed.

We have not been disappointed! Ray Morgan Company has provided us with very good products and innovative technology at competitive prices. Your response on service issues has been the strongest part of your support.

Your company has been very helpful in these difficult budget times. When Ray Morgan canceled a lease for us mid year, is really validated your company's commitment to helping our school in both good times and bad.

Ray Morgan has been an excellent educational partner with Chico High School. Thank you for your service, flexibility and excellent product-line.

Sincerely,

Roger Williams
