To Whom It May Concern:

We have dealt with Paul Cavagnaro and Ray Morgan Company for many years. Most recently, in the last couple of years, we have purchased a Canon 550, a Canon 400s, and a Canon 3300 copier & fax combination. Our teachers and office staff produce a large volume of copies, so the speed and quality of the Canon 550 copying in particular is invaluable.

Considering the amount of copying we do for students, parents, and faculty, we have required few repairs on our copiers. Ray Morgan Company, and its representatives, have been very expedient and accommodating in repairing our copiers and getting them up and running when needed. Needed supplies for our copiers are also delivered in a timely manner, and at competitive prices.

I would recommend Ray Morgan Company, their representatives, and their products to potential customers.

Sincerely,
